Creative. Young. Energy

Future Human Resource (HR) Professional in the Armed Forces of the Philippines (AFP)

CORE SKILLS AND INTERESTS

Attention to detail:

A habit of noticing small inconsistencies or errors that others might overlook.

Time Management:

I treat time as a valuable resource. I also respect other people's time, as well as I value mine.

Creative Crafting:

I love to engage in hands-on crafts to practice patience, precision, and focus.

Phase 1: Foundations in HR (Years 1-2)

- After graduating, enter the AFP workforce as a civilian Human Resource staff member.
- Master the military's administrative systems, organizational culture, and personnel management protocols.

Phase 2: Preparation & Training (Years 3-4)

- Maintain strict physical fitness and study military leadership and protocols.
- Prepare for the Officer Candidate Training or direct commission pathway.

Phase 3: The Goal (Year 5)

- After the training, successfully transition into a full-fledged Uniformed Personnel/HR Officer.
